

2024 Membership Sales Cheat Sheet

The Cobb Chamber offers three membership levels for for-profit businesses, as well as separate rates for non-profits and sole proprietors.

Signature is great for small businesses, or for someone that wants to get started.

Premier is a great option for companies with multiple locations as it allows more listings and promotional opportunities, as well as someone who is interested in Chairman's Circle but not quite ready for that level of investment. Premier allows them to attend 3 Chairman's Circle events annually.

Non-Profits, Elected Officials, and Sole Proprietors: Our reduced rates for these levels are a great selling point to get people involved – especially at a higher level for a lower dollar amount.

NOTE: The Non-Profit rate is also the Elected Official Rate. Be vigilant please on the Sole Proprietor rate.

Completing the Application

- These steps are vital to ensure proper processing
- Make sure new members fill out the application completely.
- Obtain a CHECK payable to the **Cobb Chamber** or credit card information. **We accept VISA, MasterCard, American Express and Discover.** If necessary, have the new member mail the check and application directly to the Chamber or complete the online application.
- Determine the proper category where the business should be listed – refer to category listings on cobbchamber.org/search.
- Be sure to put **your name** and company on the "Who helped you join?" line.
