Is there anything else you would like your blitzer to know?

I am so grateful to have been selected as TOTY at Nicholson. It is a wonderful, small school with so many amazing people, students and staff. I have been blessed to recently have moved from teaching in the classroom (5th grade) to be the Art teacher. It is my dream job and I love everything about creating with children. They are truly artists in their own unique ways and I look forward to creating with them each day. I truly feel art is an outlet for helping students deal with the struggles in life. I want them to leave my classroom feeling better about themselves and life in general just by creating. Thank you for your support and generosity.
