

MORE ART FOR MORE PEOPLE

We are the Marietta Arts Council, a volunteer-based nonprofit organization dedicated to enriching the artistic and cultural landscape of the City of Marietta through advocacy, education, and public art. We create experiential installations and presentations, including the annual Mountain to River TrailFest, a free public arts festival featuring murals, sculptures, live performances, and the popular M2R Fence Gallery.

We invite you to learn more about the many creative and cultural assets that fill the entire 23 square miles of our city. Because in Marietta, a strong art scene isn't just an amenity, it's a way of life.
