## What we hope to accomplish:

**Do:** Have exposure to the needs of constituents served by social service organizations throughout the county; set the tone for servant leadership and community engagement throughout the year.

**Know:** Understand that while Cobb County is quite prosperous, there are some serious health & social services needs here.

**Feel:** A sense of responsibility as leaders to work toward improving our system and the quality of life for those less fortunate.

## Resources:

**Budget:** \$ 1,500.00 from Chamber / \$ 2,200.00 from Chamber for transportation (if needed)

**Material(s):** TBD

**Sponsor(s):** TBD

**Location(s):** TBD

**Dress Code:** Class attire

### Suggestions for accomplishing the purpose:

The challenge will be to keep the program interesting, informative and stimulating while not getting an opportunity to visit ALL the various social service providers around the county.

- Perhaps a panel of representatives from the various providers around the county- but needs to be dynamic with "hot topics" of the day.
- Community Food Experience Simulation (or another simulator experience)
- Hear from individuals served and how these organizations have enabled them to go forth courageously and improve their own lives.
