10	So surprised with this and great kick off to getting to know others and first glimpse of personalities. Committee did amazing with the extras!	9/2/2025 7:51 PM
11	The buzzers were hard to handle.	9/2/2025 7:04 PM
12	This was a great way to start. It set the tone for the rest of the week!	9/2/2025 5:55 PM
13	It was a bit stressful to try to memorize the cards with such a little amount of time combined with skit development and practice and LIFE. I know this is a fall retreat tradition, but I think it would be more effective if we eased into it? Maybe less facts to memorize and more encouragement to get to know your classmates AHEAD of kickoff day/fall retreat?	9/2/2025 4:24 PM
14	It was great. Although many team members were stressed out before The Game with how much cramming was necessary in a handful of weeks. That said, we made it and don't change a thing. People turned up stressed, but relaxed and had fun once The Game started.	9/2/2025 3:35 PM
15	Well done to all who facilitated - I haven't laughed that much in a long time!	9/2/2025 3:23 PM
16	So fun. I hope to have the opportunity to serve in the future.	9/2/2025 3:20 PM

use the information to be a better spouse and parent and leader.

11	This is the activity that I will take outside of Leadership Cobb	9/2/2025 5:55 PM
12	So enlightening. The only comment I have is that it was a bit of information overload. Maybe break up some of the information between two days or have a larger break in the middle.	9/2/2025 4:24 PM
13	It was a great session (and positioned in the perfect place given the rest of the schedule). The only thing is there was a BIG dig in energy from the morning session & being after lunch any people said they struggled with staying awake. Keep the session, but perhaps make add more interactivity to prevent people leaning into the after lunch nap/slump.	9/2/2025 3:35 PM
14	This was a good one - one of the best MB sessions I've ever participated in	9/2/2025 3:23 PM
15	This is so critical, I hope people got the full impact of how they should be using this not only through this year with the group but take back to their organizations. Never use it to put yourself or others in a box but to flex as needed and give others grace.	9/2/2025 3:20 PM
16	For many professionals who may already lean into their Myer Briggs personality, consider spending more time on something they didn't already know. Maybe it's how they behave under stress, or a lesser-known strength.	9/2/2025 3:08 PM
17	Very interesting	9/2/2025 3:08 PM
18	Very helpful to learn how my brain works differently than others	9/2/2025 2:47 PM

1	They were hilarious BUT I wish they had started earlier. Thursday was a LONG day.	9/10/2025 10:53 AM
2	Great bonding with the team creating the skit, all were hilarious, we have some very creative classmates!	9/8/2025 4:09 PM
3	Skits were fun but I feel like no one stuck to the time limit and the group that won went way over! We based our skit around staying within time or we could have made it much more elaborate and fun!	9/8/2025 1:20 PM
4	I thought a couple of the other groups did a great job of incorporating our co chairs and other important details. I think in our group 2-3 personalities caused it to shift away from those ideas. I had fun participating but wished our skit was more about the group than individual acts. I found that the groups that performed together were more entertaining and connected to the point of the activity. I did enjoy getting to know members of my group.	9/6/2025 2:45 PM
5	Lots of fun!	9/4/2025 2:59 PM

LC26 Fall Retreat Program Evaluation

8	Most fun and funniest thing I have ever done!	9/2/2025 7:51 PM
9	Only comment: encourage folks to consider what's suggestive and what's crossing the line. But also such a great way for us to get to know our smaller groups more intimately before retreat and hysterical to watch!!!	9/2/2025 4:24 PM
10	Class skits were fun - although, it took a lot of commitment and time to put things together. Our team won, and it helped having a central person coordinate things. We had a blast.	9/2/2025 3:35 PM
11	Bitter - we were the only team to follow the time limit rule and go know recognition. My ESFJ self pouted a bit.	9/2/2025 3:20 PM
12	So much fun!	9/2/2025 3:08 PM
13	What a blast!	9/2/2025 2:57 PM
14	Our team was led to believe that the five minute time limit was a hard rule. That we know we could go longer I believe our skit would've been better.	9/2/2025 2:47 PM
15	Our team followed the timing rules, others not so much.	9/2/2025 2:44 PM

1	I cried for a solid two hours but was blown away but what people have gone through and how you would NEVER know.	9/10/2025 10:53 AM
2	An emotionally exhausting two hours that brough us all a lot closer	9/8/2025 4:09 PM
3	Personally I asked a couple of times and was just told bring something important to you. I would have liked guidance on how vulnerable this item was going to make us. I would not have minded sharing something more personal, I was just not coached on expectations of this item, I feel like.	9/8/2025 1:20 PM
4	That was a powerful experience. At first I wasn't sure what to bring. Then once it was over I had 100 ideas of what I could have brought. It's a hard exercise to prepare for. Maybe a little more detail to help participants think about what they want to share/present.	9/6/2025 2:45 PM
5	This was very impactful to me, it stirred a lot of self-reflection	9/4/2025 2:59 PM
6	My rating below the highest level is not something that could be improved from your end. It was touching and powerful, but I struggle with people who share really deep trauma in a public setting. It's a lot to handle, but I think that is more of a reflection on me than it is on the group or the activity.	9/3/2025 12:59 PM

7	Wished I could have stayed for the whole thing	9/3/2025 9:17 AM
8	I'm still crying.	9/2/2025 9:31 PM
9	This portion of the retreat surprised me the most. I didn't realize others would be vulnerable and open up. This is the glue for the group!	9/2/2025 7:51 PM
10	Many stories. I enjoyed getting to know people deeper.	9/2/2025 7:04 PM
11	Didn't expect to be very deep on the last day.	9/2/2025 3:50 PM
12	I enjoyed this a lot. It was a great way to hear everyone's story although it was a super long session. I wonder if there is a way to still get the same result but in about 90 mins instead of 2+ hours. Maybe not - just thinking - It was super cool!	9/2/2025 3:35 PM
13	Wow - emotional but good	9/2/2025 3:20 PM
14	This was a phenomenal opportunity to connect with classmates on a deeper level and get an understanding of who they are away from titles and positions.	9/2/2025 3:08 PM
15	This was INTENSE!!! Ugh. Pass the tissues. Seriously. Pass the tissues right now. I was amazed by how open and vulnerable everyone was and I don't think that would have happened without the activities leading up to it, all the way back to opening day.	9/2/2025 3:08 PM
16	Still crying	9/2/2025 2:57 PM
17	Emotionally draining, but oh so inspiring	9/2/2025 2:47 PM
18	Thought I wasn't gonna cry... oh well.	9/2/2025 2:44 PM

4	The campfire story activity was most meaningful to me because of the opportunity to share our stories in a small group setting and really connect/ask questions of one another.	9/8/2025 4:09 PM
5	I really enjoyed the Campfire stories. It was our first look into the lives of everyone. We all have a story that made us, and it was really great to get to relate more to my classmates.	9/8/2025 1:20 PM
6	The most meaningful part(s) were the card game and the fireside chat. The game really broke the ice and created great memories. I loved the fireside chat because we got to learn people's why. We see the glory but we don't always know the story. Finally, I am grateful for the people who really opened themselves during the significant item portion. It was one of the most moving exercises I have ever participated in.	9/6/2025 2:45 PM
7	Campfire portion was the best for me because I appreciate getting to know people on a more intimate setting, less peopley	9/5/2025 10:04 AM
8	Getting to know others on a deeper level by opening up and spending time working as a team	9/4/2025 2:59 PM
9	The small groups, downtime conversations, and item of significance as it gave us a chance to get to know each other intimately.	9/4/2025 2:18 PM
10	It was well designed to get to know people in the group at a deeper level. I really appreciated the time and planning put in by so many amazing people.	9/3/2025 12:59 PM
11	Building relationships beyond cards	9/3/2025 9:17 AM
12	The story boards. Great way to learn about folks quickly and what is important to them.	9/2/2025 10:27 PM
13	I loved everything! The most meaningful was the item of significance.	9/2/2025 9:31 PM
14	Building relationships and comradarie during activities.	9/2/2025 8:41 PM
15	So hard to pick just one but would have to be item of significance. It helped me see others in a different light and made me feel i can also just be myself.	9/2/2025 7:51 PM
16	The campfire story activity. It was easy to spend time with my decade because I already had gotten to know them. This activity gave me the chance to meet others.	9/2/2025 7:04 PM
17	The Item of Significance brought everything together for me. It really brings the class together in a way that's hard to explain.	9/2/2025 5:55 PM
18	Honestly, just the extended period of time away to get to know everyone. I am a total extrovert, so I loved all the opportunities we had to connect!	9/2/2025 4:24 PM
19	Skit and team building activities- learned team members and team bonding	9/2/2025 3:50 PM
20	It is hard to pick a part out - the whole experinece was meaningful to me.	9/2/2025 3:35 PM
21	getting to know others in the class beyond my group. being present with limited distractions	9/2/2025 3:23 PM
22	Working in small groups for the skits to start building connections ahead of the retreat. I hope to be able to continue to branch out and connect with others as well.	9/2/2025 3:20 PM
23	Everything activity and the intentionality combined to make it a very meaningful 3 days.	9/2/2025 3:08 PM
24	The most meaningful part was absolutely getting to hear everyone else's stories thought the	9/2/2025 3:08 PM

campfire stories, items of significance, and just casual conversations each day. I expect having this base level understanding of where our classmates are coming from will be valuable moving forward.

25	The item of significance - I learned a great deal about the people in the group.	9/2/2025 3:06 PM
26	Meeting new people and having the opportunity to bond with them. As an introvert, I don't do a good job in initiating new relationships. This opportunity forced me out of my comfort zone.	9/2/2025 3:05 PM
27	The item of significance stories were very powerful and the skits really brought everyone together.	9/2/2025 2:57 PM
28	I appreciated the attention to detail on the overall structure. Starting individual, then connecting our story to others, then team events, prepared us for sharing deep and personal insights such as the item of significance. Clearly, a high level of thought was put into the planning and structure for this event.	9/2/2025 2:54 PM
29	Working with my decade group to put our skit together. Forced us to get to know each other before the retreat.	9/2/2025 2:47 PM
30	Item of significance. I got something off of my chest that I realize was holding me back. I feel more comfortable with myself now.	9/2/2025 2:44 PM

1	Great experience- keep it going	9/15/2025 9:30 AM
2	Just loads of gratitude.	9/10/2025 4:16 PM
3	IF at all possible, throw in a little more downtime. Everything was Go Go Go.	9/10/2025 10:53 AM
4	The alumni were wonderful, having them lead the activities was really valuable because we know they've been in our seats and understand how it all fit together in the LC program.	9/8/2025 4:09 PM
5	The alumni were great! I appreciate all their time and effort in making this experience a great one.	9/8/2025 1:20 PM
6	I am blown away by the heart for service and level of alumni involvement. I have never seen anything like it. Its an incredible blessing.	9/6/2025 2:45 PM
7	Lunches were meh...events like card game may need some tweaking due to size of classes now to keep consistent energy and focus from us, id encourage an off site event like brasstown bald excursion during a longer break	9/5/2025 10:04 AM
8	I think it's wonderful that so many alums participate and share with the rookies	9/4/2025 2:59 PM
9	Alumni were fantastic. Very engaging and giving. I wouldn't change a thing.	9/4/2025 2:18 PM
10	It's amazing!	9/3/2025 12:59 PM
11	Admire your dedication and passion.	9/3/2025 9:17 AM
12	I was impressed with the alumni involvement how they served the campers and everything they put into the trip	9/2/2025 10:27 PM
13	I love the energy of all involve. Please continue to make us feel seen.	9/2/2025 9:31 PM
14	I enjoyed it.	9/2/2025 8:41 PM
15	Absolutely ah-mazing! I can tell that so much effort, thought, and time went into every detail. It not only was a fun time but a meaningful experience that was well annex. Thank you so much for that gift!	9/2/2025 7:51 PM
16	The lunches were very light. I would prefer something more hearty.	9/2/2025 7:04 PM
17	The Alumni are rockstars. They make sure your experience is incredible and that your decades stay on task. You can tell everyone genuinely wants to be at Camp Brasstown and wants the current class to experience the magic. They did a phenomenal job.	9/2/2025 5:55 PM
18	Don't know that I have any?	9/2/2025 4:24 PM
19	They were very helpful and have prepared for the fall retreat in perfection!	9/2/2025 3:50 PM
20	OMG - the Alumni were totally amazing - this is servant leadership at its best. They just kept giving and giving. They were up hours before us and kept going long after we went to bed. I found myself saying they were "working" hard - but by the end, I realized it was all out of LOVE! I have never felt so taken care of before in my life...AND when they said they would get you whatever you needed on or off-site - they totally delivered. Not one person complained the whole time. I have so much love for all the alumni who participated...I don;t know how I will ever be able to thank them - Big thanks to Joy, Trip, Marla, Brittney, Alan, Bridges, Rich, Chris, Karen, Brian, Kristen, Mike, Tori, Steve, Michael, Sarah, Dave, Linda, Al,Daniel, Allison, Matt, Joyette, Eddie, Tricia, Allan, Kai and any all the partners and sponsors who made it happen.	9/2/2025 3:35 PM

21	alumni involvement was terrific - only suggestion in #9 above	9/2/2025 3:23 PM
22	It is so inspiring to see all the alumni participating. Though I do not want to fast forward this year but I also can't wait to support as an alumnus in the future.	9/2/2025 3:20 PM
23	Amazing alumni support and involvement!	9/2/2025 3:08 PM
24	Thank you for being so welcoming, first of all. The alumni truly made and overwhelming experience so much fun!	9/2/2025 3:08 PM
25	Great work! I appreciate your willingness to serve.	9/2/2025 3:06 PM
26	Great job!	9/2/2025 3:05 PM
27	What a blast, so cool that they made every person feel welcomed and a part of a very special group.	9/2/2025 2:57 PM
28	Not sure how we would do it with so much activity packed into such a short amount of time, but it was tough to really get to know everyone in the "cul de sac" time. Was not initially clear to me what everyone's role was, so I felt a bit awkward with some of the alumni. Probably a me issue.	9/2/2025 2:54 PM
29	The alumni were fantastic. Every time I saw them, they were working and making sure my classmates and I were having a great time.	9/2/2025 2:47 PM
30	Y'all are awesome. The work you put into this shows. THANK YOU.	9/2/2025 2:44 PM

Q13 What suggestions for improvement would you offer to next year's planning committee?

Answered: 30 Skipped: 0

#	RESPONSES	DATE
1	None	9/15/2025 9:30 AM
2	The lunches left much to be desired.	9/10/2025 4:16 PM
3	I think the food the second night could be better- the setting was wonderful but the food was just meh to me.	9/10/2025 10:53 AM
4	Item of Significance - think about when this is placed in the program, it's a lot to take in and then leave	9/8/2025 4:09 PM
5	I just think the item of significance should be explained as they want you to open up and be vulnerable. I thought everyone did a great job	9/8/2025 1:20 PM
6	I think being in the beautiful mountains is wonderful. The accommodations aren't the best. I wonder if there are other options. I would also suggest having other options for breakfast the first day and lunches each day. If hot food options are possible, that would be great. I assume there were cost and time challenges that may have led to the choices. With the long days, it would be great to have hot food options for lunch and a full breakfast option on the first day.	9/6/2025 2:45 PM
7	Honestly, the only thing that was weird for me is the whole, you have to have a roommate situation. I feel like as adults that shouldn't be a thing....but it's probably just me	9/5/2025 10:04 AM
8	I honestly wouldn't change much other than some different themes to keep it fresh	9/4/2025 2:59 PM
9	Possibly more food options for those with special dietary needs.	9/4/2025 2:18 PM
10	If there is any way to build in time for introverts. My only turnoff in the program so far is the forced enthusiasm and constant need to engage at a high extrovert level.	9/3/2025 12:59 PM
11	Consider telling people that for meals they have to eat with someone they don't know	9/3/2025 9:17 AM
12	The rooming situation was less than ideal. Would be nice to have a check in before we get there and just be able to pick up our keys. I spent about 45 minutes in line to check in. The Brasstown staff were confused and didn't have much interest in helping.	9/2/2025 10:27 PM
13	I cannot think of anything that needs to be improved.	9/2/2025 9:31 PM
14	The hotel check in process could be greatly improved for the group.	9/2/2025 8:41 PM
15	It really was perfect! Maybe 30min more for the soiree cocktails and dinner.	9/2/2025 7:51 PM
16	Make more opportunities to connect with people outside of your decade.	9/2/2025 7:04 PM
17	Everything is so intentional and thought out. My only suggestion is to offer some Celsiuses for an energy boost. The schedule is loaded but it has to be :)	9/2/2025 5:55 PM
18	Don't know that I have any!!	9/2/2025 4:24 PM
19	More down time and better meal plans	9/2/2025 3:50 PM
20	It was a first-class experience, and I learned a great deal in such a short amount of time.	9/2/2025 3:35 PM
21	I would've loved one teambuilding activity with my group (beyond the skits)!	9/2/2025 3:23 PM
22	I can't think of any at this time.	9/2/2025 3:20 PM
23	Work with the host hotel to create a better kick off experience for the next year's class (e.g., check-in)	9/2/2025 3:08 PM
24	Maybe rework the Wayfinder team building with some new/additional activities.	9/2/2025 3:08 PM

LC26 Fall Retreat Program Evaluation

25	Keep doing the same things. It was great!	9/2/2025 3:06 PM
26	Allow for a bathroom break an hour after breakfast so we don't distract the group activity.	9/2/2025 3:05 PM
27	Thought everything was great. Maybe different lunch options.	9/2/2025 2:57 PM
28	I loved the "people's court" set up for The Game, but the buzzer set-up was not ideal (and maybe that was by design). The rules for the skit seemed loose in terms of time and topic (again, perhaps by design), but more clarity there would have been helpful to our group.	9/2/2025 2:54 PM
29	my only complaint (and this is very nitpicky) was that the box lunches weren't that great. Several of us went to Brassie's to get food during the afternoon break.	9/2/2025 2:47 PM
30	Rooms were a bit dated and bathrooms didn't lock, but that's not on y'all!	9/2/2025 2:44 PM

1	The program is excellent, but the venue needs some updating and better staffing, the check-in/check-out experience was frustratingly understaffed for a planned group of our size.	9/8/2025 4:09 PM
2	Outstanding job in the planning and execution. Thank you to everyone for every little and big thing contributed. It was perfect and life changing. Now I see why so many alum say the fall retreat was their favorite experience. The bar is set super HIGH!	9/6/2025 2:45 PM
3	Great job to all	9/4/2025 2:59 PM
4	I am really excited for the upcoming programs!	9/3/2025 12:59 PM
5	Hotel needs help! They messed up several reservations so we might need to review process with them.	9/3/2025 9:17 AM
6	Breakfast was good.	9/2/2025 8:41 PM
7	Thank you for an incredible kickoff and setting a tone of trust, friendship, and fun!	9/2/2025 7:51 PM
8	Kai is the best! She had to roll with some unexpected punches from the resort on Tuesday night and she handled it like a champ. You would have never known that things went differently than planned. The event is so well planned and I feel very grateful to be a part of this program.	9/2/2025 5:55 PM
9	Great job!!! This is so obviously well thought out and time-tested. Can't wait for the year ahead!	9/2/2025 4:24 PM
10	Thank you for all the love and care that went into the planning. THANK YOU AGAIN FOR YOUR LOVE & ENERGY - Once of the best retreats I have ever been on :)	9/2/2025 3:35 PM
11	The content and connections were amazing! Only suggestion would be around the logistics - the resort was so nice, but seemed to take a while to check in, confusion with roommates, etc.	9/2/2025 3:23 PM
12	Great work!	9/2/2025 3:20 PM
13	I literally didn't move from my couch or talk to anyone on Saturday, because introvert problems. If the goal was to wear us out and wear us down, mission accomplished. But I'm ready for a great year with great people! And Kai is like a sherpa carrying our shit and making sure we arrive at our destination together and mostly unscathed. Thanks to all! :)	9/2/2025 3:08 PM
14	Had a great time. Thank you!	9/2/2025 3:05 PM
