Q7 How did this program make you feel more connected to your class members?

Answered: 28 Skipped: 0

#	RESPONSES	DATE
1	It gave me a sense of how impactful my class members can be to me	8/26/2025 10:56 AM
2	The small group activities helped me see class members in a new perspective and I enjoyed working with the different leadership dynamics.	8/12/2025 3:56 PM
3	Heavy-hitters activity pulled us outside our comfort zones and then followed by retreat introductions and planning helped set the tone moving forward.	8/10/2025 10:26 PM
4	It is hard to describe the immediate connection felt - but I attribute that to the entire approach. From the Braves staff at the gate down to the handing out of the boxes at the end of the- it was genuine that each person cares and wanted to be there.	8/7/2025 2:09 PM
5	As a whole, it did not. I was able to meet and talk with several of them, but not all of them. Being split into groups so soon only compounded the inability to meet the entire class.	8/6/2025 7:32 PM
6	Through the team-building activities.	8/6/2025 5:00 PM
7	It feels like a diverse group leaders ready and willing to Lead the Way!	8/6/2025 3:34 PM
8	I was able to hang out with a few people and interact with them.	8/4/2025 2:12 PM
9	Good mix of icebreaker type activities and unstructured time to meet & greet	8/4/2025 8:50 AM
10	Everyone had to come out of their respective comfort zones which creates a bond.	8/3/2025 2:50 PM
11	Being a little vulnerable and silly through the Heavy Hitters session :)	8/2/2025 5:30 PM
12	The drum line drill was able to make me feel like everyone in my group was a regular person just like me	8/2/2025 8:15 AM
13	We were able to meet more of our class members and start team building right off the bat.	8/1/2025 3:44 PM
14	Yes	8/1/2025 2:31 PM
15	Having themes, placing us into groups, and playful competition.	8/1/2025 1:29 PM
16	The time with our small groups working with the Heavy Hitters was a great icebreaker and really helped to start our group bonding	8/1/2025 11:27 AM
17	I got to make crazy music with some people I just met, and some I already knew. And the ones I already knew really came out of their shells (including me). I think people are most themselves when they're allowed to be silly!	8/1/2025 11:26 AM
18	Definitely fun to have an intro to our classmates and program prior to the retreat. I would have liked more time to intentionally connect with a broader group of classmates though.	8/1/2025 10:05 AM
19	See above.	8/1/2025 8:03 AM
20	It forced us to move around, so we weren't sitting at a table with the same group of 4 people all night. This made it easy to mingle and make a lot of connections.	8/1/2025 4:44 AM
21	Group activities allowed us to work together	7/31/2025 10:13 PM
22	It did an excellent job of providing opportunities to meet and work with a group of people.	7/31/2025 9:53 PM
23	It was a great baseline. It's nice to start in the smaller groups so you can get acquainted early and then continue to build relationships as the year goes on.	7/31/2025 9:32 PM
24	It is always awkward when strangers come together for the first time. We just cracked the shell...more to come.	7/31/2025 8:31 PM

25	Great intro	7/31/2025 8:11 PM
26	Doing activities together.	7/31/2025 6:54 PM
27	We had to connect quickly to win the drum line skit!	7/31/2025 6:34 PM
28	I like putting the team together for a challenge and then letting us know this is our team moving forward	7/31/2025 6:23 PM

2	I think so, but I don't know how you are going to match/exceed the energy level!	8/12/2025 3:56 PM
3	I hope so. It definitely offered more perspective to what's to come. Maybe retreat will offer the most preparation for the upcoming year.	8/10/2025 10:26 PM
4	Yes - but I know there is a lot to learn along the way!	8/7/2025 2:09 PM
5	I'm not sure. I don't feel like I know any better now what to expect from this year than I did before.	8/6/2025 7:32 PM
6	Most definitely.	8/6/2025 5:00 PM
7	more so got me ready to expect the unexpected	8/6/2025 3:34 PM
8	It did BUT there was also an illusiveness of what is to come that I enjoyed.	8/4/2025 2:12 PM
9	Yes, it provided a lot of information in a fun and approachable way.	8/4/2025 8:50 AM
10	I am not sure. At this point, I think I will just expect the unexpected.	8/3/2025 2:50 PM
11	I think so!	8/2/2025 5:30 PM
12	Honestly. The flood of information and extremely fast pace, for ME, was a little overwhelming. But that a me thang	8/2/2025 8:15 AM
13	Yes, it gave me a little insight into how things will work the rest of the year.	8/1/2025 3:44 PM
14	Yes	8/1/2025 2:31 PM
15	Yes	8/1/2025 1:29 PM
16	I feel like I have a better idea what to expect	8/1/2025 11:27 AM
17	If opening day sets the tone for the program, I'm definitely prepared for some high-intensity socializing and going outside my comfort zone.	8/1/2025 11:26 AM
18	Lots of information. I like the boxes that we brought home with more information on our classmates, our retreat, etc. Great idea!	8/1/2025 10:05 AM
19	I'm not sure. There seems to be much more in store than what was discussed.	8/1/2025 8:03 AM
20	I believe it was a great intro to the program and I feel well prepared for the remainder of the year.	8/1/2025 4:44 AM
21	I think so!	7/31/2025 10:13 PM
22	Yes, but I am concerned about the time demands. There seems to be a lot more time required than shared in the materials or in conversations.	7/31/2025 9:53 PM
23	Yes	7/31/2025 9:32 PM
24	Yes. I heard the invitation to lean in loud and clear, so that is my plan to embody and embrace the program. Lots to come and ready for the LC26 experience.	7/31/2025 8:31 PM
25	Not sure	7/31/2025 8:11 PM
26	Not completely, but yes, I feel more comfortable now than before this program.	7/31/2025 6:54 PM

Q9 What suggestions would you offer to improve this program for next year?

Answered: 28 Skipped: 0

#	RESPONSES	DATE
1	more snacks	8/26/2025 10:56 AM
2	I can't think of any.	8/12/2025 3:56 PM
3	mild technical issues in the sun, otherwise hard to say. It was well put together and executed.	8/10/2025 10:26 PM
4	More time at the end dedicated for the small groups to connect while there and form their plan for next steps. We huddled in our own but there were distractions - I would designate a 15 minute breakout session with an outline/checklist to knockout while there.	8/7/2025 2:09 PM
5	A more practical, straightforward explanation about what to expect for the coming year.	8/6/2025 7:32 PM
6	No suggestions, the run of show was perfect.	8/6/2025 5:00 PM
7	build in a touch more time to be intentional with getting to know, at the very least, the people in your designated decade. It wasn't clear until it was too late that the heavy hitter group (super fun moment!) would be the group you'll likely do "LC life" with the most, at least through the Fall Retreat. Not sure we really had time for in person intros DURING opening day, as we had to focus on other needs to prepare and plan for the retreat.	8/6/2025 3:34 PM
8	Better food options	8/4/2025 2:12 PM
9	Maybe a tighter schedule with the on the field introductions, especially if it's as hot as it was this year.	8/4/2025 8:50 AM
10	Make the small group assignment different from the heavy hitters group so you can get to know more people.	8/3/2025 2:50 PM
11	N/A	8/2/2025 5:30 PM
12	I think it accomplished what the intent was	8/2/2025 8:15 AM
13	No suggestions. I felt time that met and exceeded all expectations.	8/1/2025 3:44 PM
14	Take the group photo before lining up on the field. Everyone has fresh faces and not sweating.	8/1/2025 2:31 PM
15	No suggestions. The experience has been wonderful.	8/1/2025 1:29 PM
16	Excellent across the board	8/1/2025 11:27 AM
17	If there are delays while we are outside, keep a water cooler or ice packs outside. Any additional ways to beat the heat are welcome!	8/1/2025 11:26 AM
18	My only bit of constructive criticism is that there is a lot of focus on our small groups. I would have liked to have more time to network with the rest of the class members. Maybe just more breaks and more time to connect with one another to put faces with names.	8/1/2025 10:05 AM
19	Less "activities" and more time to interact with people naturally.	8/1/2025 8:03 AM
20	I can't think of anything, it was great.	8/1/2025 4:44 AM
21	Nothing comes to mind right now.	7/31/2025 10:13 PM
22	The program was really good. I am not a fan of forced enthusiasm, and I found that somewhat off putting. I would encourage the quality of the program to generate the enthusiasm. It will be there.	7/31/2025 9:53 PM
23	Nothing I can think of :)	7/31/2025 9:32 PM
24	Great job. I can tell the team worked hard on putting together a seamless event. Loved it!	7/31/2025 8:31 PM

LC26 Opening Day Program Evaluation

25	retreat instructions in the small groups to be explained better - we know nothing so breaking it down into steps would have been more productive. But we did eventually figure it out!	7/31/2025 8:11 PM
26	Similar level of mingle should be fine. You would not want to overwhelm members who are not as social.	7/31/2025 6:54 PM
27	I would love to have had video of myself running on the field maybe have some next year that will take your phone and video the intro	7/31/2025 6:34 PM
28	Good speakers and we kept to the time schedule which is critical for most folks during the work week	7/31/2025 6:23 PM
