## Q13 What was the most significant part of this program?

Answered: 18 Skipped: 0

#	RESPONSES	DATE
1	The technology used by Cobb County Police	11/4/2025 10:45 AM
2	Tough to say a favorite part - entire schedule was highly engaging and interesting.	10/29/2025 10:40 AM
3	The first appearances and the panel of graduates afterward-- these things were very heavy and very real. The gentleman in black on the panel described the way his actions hurt his family-- he described some things that sounded unforgivable. But when you see someone face to face and they're taking accountability for the damage they caused, it changes everything. By the end of his story, everyone in the room was rooting for him. My heart goes out to him and the other graduates!	10/28/2025 4:28 PM
4	The first appearance at Magistrate Court	10/27/2025 10:05 PM
5	It wouldnt be fair to choose just 1 because I was impacted by each segment but the mental health session touched me personally as my son is a paramedic. It gave me insight into his world and helped to clarify a few things I did not understand.	10/27/2025 4:18 PM
6	Was impressed with the technological advances and that Cobb County is leading the way,	10/27/2025 7:08 AM
7	Hearing from the accountability court participates, especially the mother. It is always good to hear a family perspective how how substance abuse or other issues effect not only the person charged but the family as a whole.	10/26/2025 10:21 AM
8	For me, listening to Chief Marcos story	10/24/2025 5:52 PM
9	Understanding the great lengths that the public safety divisions take to sleep our county safe.	10/24/2025 9:39 AM
10	Just all of it. Hearing from the experts, seeing things happen in real time. I found this day very informative, moving, and reassuring!	10/23/2025 1:59 PM
11	The static displays provided a great opportunity for our public safety professionals to show us what they do best and what they love about their jobs, it was nice to have the opportunity for one-on-one interactions.	10/23/2025 12:46 PM
12	I finally understand the structure of the courts! Also learning about the accountability programs.	10/22/2025 9:16 AM
13	Being able to experience the court first hand and learn of the progressive programs to support those who are eligible for second chance therapeutic programs	10/18/2025 6:17 PM
14	First appearance and engagement with Judge Murphy	10/18/2025 11:16 AM
15	The magistrate court	10/17/2025 9:27 PM
16	I think getting to see real court in progress because most people only know courts based upon what they see on TV.	10/16/2025 4:35 PM
17	Hearing how different members of the class connected with the moments.	10/16/2025 4:24 PM
18	Seeing and learning about the various court systems and programs offered	10/16/2025 4:21 PM

## Q14 If you could improve any part of this program for next year, what would you change and why?

Answered: 18 Skipped: 0

#	RESPONSES	DATE
1	I can't think anything that I would change	11/4/2025 10:45 AM
2	By comparison the Judge overview felt a little dry but the content was truly interesting. Possibly consider a more engaging activity to get the information across?	10/29/2025 10:40 AM
3	I would love to hear more from EMTs during the programming. I spoke to them for a long time at the static display, and they were very helpful in answering my questions.	10/28/2025 4:28 PM
4	I think some pre-work on becoming familiar with the Cobb County court systems would have been helpful background/context going into the day.	10/27/2025 10:05 PM
5	I think it was a fantastic event.	10/27/2025 4:18 PM
6	More interactive activities with classmates.	10/27/2025 7:08 AM
7	I would allow more time for the participants. Maybe allow them to sit at the tables with the LC participants for lunch to have a deeper question and answer session.	10/26/2025 10:21 AM
8	We need a little more time during the 3 break out sessions with Cobb Crime Center and such	10/24/2025 5:52 PM
9	None	10/24/2025 9:39 AM
10	Maybe tighten up the day a bit? And again, more water!!	10/23/2025 1:59 PM
11	See note regarding first appearance session	10/23/2025 12:46 PM
12	NA - I liked it exactly as presented	10/22/2025 9:16 AM
13	Provide a little extra time to engage with the people who shared their experiences	10/18/2025 6:17 PM
14	Na	10/18/2025 11:16 AM
15	Nothing	10/17/2025 9:27 PM
16	I think somehow working in the ability to see what defense or circuit defender does in a live courtroom. Also ask the accountability court participants to each sit at a lunch table with some LC members to have a more personal time.	10/16/2025 4:35 PM
17	Less time on static displays	10/16/2025 4:24 PM
18	Have additional water available considering outdoor activities	10/16/2025 4:21 PM

3	None at this time	10/24/2025 5:52 PM
4	I absolutely love how much we cover in these days, but I also wish we had a little time to socialize or decompress with our classmates afterwards. I would love to see a social hour incorporated into the programming and not something that is options afterwards. It is really hard to be gone all day and then join a happy hour or dinner afterwards. But overall, very well done!!	10/23/2025 1:59 PM
